

Topographical Assessment

To become a licensed private hire driver in London you must complete a topographical assessment. The exam will be conducted under exam conditions by TfL assessors at Data Cars Training Centre in South East London.

Cost of Training £100 (2 Sessions)

Cost of Assessment £70

**Cost of Training and Assessment
£150**

The initial pre-licensing assessment will be paper based using Edition 15 of the Geographers A-Z Master Atlas of Greater London and based on the existing syllabus:

Module 1– Ability in using map indexes (Master Atlas of Greater London)

Module 2– Planning a short route (up to 5 miles) between two locations i.e. streets/ roads/ points of interest

Module 3– Planning a medium route (up to 15 miles) between two locations

Module 4– Planning a long route (up to 30 miles) between two locations

Module 5– General knowledge questions based on the Master Atlas of Greater London

How to book your Topographical Assessment

To book your assessment:

First submit your application to TfL.

Once your application has been assessed, TfL will invite you to book a topographical assessment and once you receive this invite you need to phone TfL on 0343 222 4444 to book your Assessment with Data Cars.

Once you have been given a date, contact us on 0208 8501000 to book your training prior to your Assessment.

Cost of Test refunded if you join Data Cars as a first time Driver*

*Terms and conditions apply – ask us for details when arranging your Training
